INTRODUCTION

Register of Delegated Authority

Delegation means the process, prescribed in legislation, for assigning authority to exercise an Express Power or Duty from the Delegate to another person or an entity.

The *Local Government Act 1995* requires the Council to maintain a Register of Delegations which must be reviewed at least once per financial year. As part of the City's commitment to good governance, the City maintains a single register which includes all its delegations, and reviews the delegations as necessary, including the annual review as required by legislation.

Council has made a decision regarding delegations under the following Acts:

Local Government Act 1995

Building Act 2011

Bush Fires Act 1954

Cat Act 2011

Dog Act 1976

Food Act 2008

Graffiti Vandalism Act 2016

Health (Miscellaneous Provisions) Act 1911

Planning and Development Act 2005

Public Health Act 2016

The *Local Government Act 1995*, *Cat Act 2011* and the *Graffiti and Vandalism Act 2016* provide an Express Power to Delegate that enables a Local Government CEO to delegate powers and duties directly assigned to the CEO to a local government employee/s. As part of this process, the CEO has also made a formal decision in regard to the sub-delegations of Council delegations to the CEO, and the CEO Delegations to Employees. These delegations are also included in the City's Register of Delegations.

It is a statutory requirement for delegates to maintain a record of each decision made under delegated authority. Documents relating to delegated authority decisions shall as a minimum, record:

- a. Date the decision was exercised;
- b. Name of the officer/committee exercising the decision;
- c. Description of how the person exercised the power or discharged the duty, including where appropriate, any directions to staff to carry out work associated with the decision unless those directions are included in policies, corporate guidelines or the delegation register;
- d. Notation of the people or class of people directly affected by the decision (other than Council or committee members or employees of the City).

Wherever possible these records will be maintained in Authority and CM9. Where no other documentation is created and recorded in the City's record keeping system that will evidence a decision, the decision must be recorded by entering the details into Attain.

Non-statutory duties and decisions are managed through the governance mechanisms of policy, procedures and position descriptions.
