Dear Ip  
Please pass on to the IRC and do keep in touch.  
Cheers  
Shamara

To the International Relations Committee

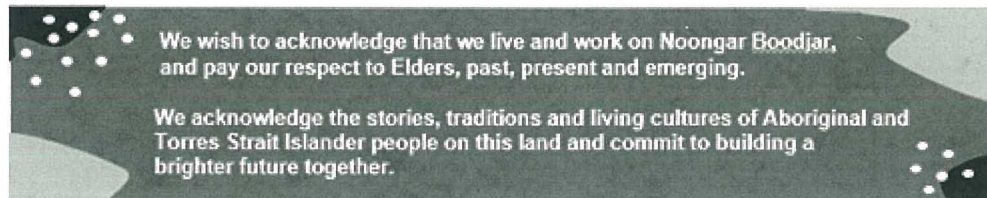

With regret, I tender my resignation from this Committee due to an increase in my workload and competition for my time. I have enjoyed being part of the International Relations Committee but feel that I can't offer much at the moment, as I will be unavailable for many of the meetings.

I would like to keep involved in my capacity as Manager of Volunteer South West, especially with the exchange students who are interested in a volunteering experience. I will be encouraging my fellow volunteers on the Bunbury Multicultural Group committee to nominate for a position on the IRC to ensure that BMG can stay connected with the work of the IRC with mutual benefits of cross promotions.

I wish you all the very best and hope to see you all around the Bunbury region in my various roles.

regards

Shamara Williams
