

Candidate Details

Ballot paper name	CUTLER, Rod
Candidate name	Rodney Mark CUTLER
District	City of Bunbury
Nominating for	Councillor for City of Bunbury
Election type	Ordinary
Enrolment status	CUTLER, Rod is eligible to stand for election as a resident of the City of Bunbury.

As a project manager I have experience working with stakeholders to facilitate and deliver realistic win-win outcomes, manage big budgets and just get things done - I offer these skills to the council.

I will bring a fresh, positive and vibrant perspective to take Bunbury forward. I'm on the board of the Bunbury Golf Club and an active member in my community.

I believe the community should have well maintained and quality facilities for families and the elderly.

I want to ensure that local business are supported with opportunities to grow and prosper while encouraging more tourism.

I believe it is important we protect and promote the history of Bunbury and it's unique art and culture.

I'd like to see Bunbury continue to develop and strive to be just the best place to live in WA.

I will ensure the community is consulted on all matters and be available to listen.

I would be honoured to become a concillor to represent this great community.

I hope you will support me so that I can support you.

Rod Cutler

I am keen and motivated to get an opportunity to shape this great community of ours by representing all citizens of the City of Bunbury.

I will bring a fresh, reinvigorated and energetic approach to council but never forgetting those who have been here longer and can offer much advice and guidance.

I will be contactable and approachable so the community know they have a voice on the council who speak on their behalf.

I will work hard to consult and communicate with the community so there is clarity on what actions are being taken by the council.

As a project manager I know only too well the challenges of trying to deliver improvements and change while balancing the priorities with available budget. It is not easy and requires a great deal of consultation, communication and negotiation with many stakeholders. I have the knowledge and experience of getting things done and I will deliver for the community.

Some of the areas we will focus on:

- Efficient and effective management of council funding – look for new ways to obtain funds (not the ratepayer) and spend what we have wisely
- Parks and recreation – upgrade and improve the facilities at parks, playgrounds and recreational space
- Town planning – review utilisation of city assets, develop plans and implement
- CBD – revitalise and inject new life into the CBD to attract community and tourists
- Culture and the Arts – protect, revitalise and promote the unique arts and culture that is Bunbury
- Tourism – explore and deliver new ways to attract more tourists to our wonderful part of the state

I want Bunbury to continue to develop and strive to be the sought after destination in the southwest and the best place to live in WA.

I would be honoured to become a councillor to represent this great community.

Your vote and support will put us on the path for positive change in the City of Bunbury!
