Summary

The purpose of this report is to provide DAIC with the City’s Codesign Access Panel (CoDAP) Feedback Report for the Bin Tactile and Waste Education Communication Board project.

The City’s Co-Design Access Panel (CoDAP) comprises of people with a lived experience of disability as well as industry professionals to assist the City to embed accessible and inclusion design principles across its services, buildings, facilities, open spaces, and other projects.

As per the Committee’s Terms of Reference (as below) DAIC is to be provided with any reports from the Co-Design Access Panel for review.

5. *To review any reports provided by the Co-Design Access Panel;*

Executive Recommendation

That the Disability Access and Inclusion Committee:

1. Review and accept the *CoDAP Request Form* (**attached** Appendix 1)
2. Review and accept the *CoDAP Feedback Report* (**attached** Appendix 2)

Voting Requirement: Simple Majority

Strategic Relevance

| | |
|---------------|--|
| Pillar | People |
| Aspiration | A safe, healthy, and connected community. |
| Outcome 4 | A compassionate and inclusive community. |
| Objective 4.2 | Support vulnerable groups, including aged persons and those with disability. |

Regional Impact Statement

The City's CoDAP also provides the same service to external State Departments across Bunbury such as the Transforming Bunbury Waterfront Project.

Background

The City's CoDAP collaborates with City staff to ensure we are exceeding community expectations in relation to disability access and inclusion through providing advice and insights relating to access and inclusion within a Co-Design Framework that may not necessarily be covered by the current Australian Standards.

CoDAP members are required to attend CoDAP meeting on a needs basis which is currently monthly. CoDAP panel members provide this valuable service within a volunteering context.

CoDAP co-ordination is the responsibility of the Community Development Officer – Inclusion and is positioned within the Corporate and Community Directorate.

The Team Leader for City Planning also attends all CoDAP meetings.

CoDAP members include four (4) CoDAP members that are continuing their membership as they were previous members, (2) members who are also current DAIC members and (4) new community members.

Council Policy Compliance

The City's CoDAP has two (2) guiding documents.

- CoDAP Terms of Reference latest version 2020 (**attached** Appendix 5)

Review currently being undertaken involving Community Development Team, CoDAP and Infrastructure.

- CoDesign Access Panel Work Procedure latest version 2019, (**attached** Appendix 6)

CoDAP links to DAIP 2023-2028 and

- **DAIP 2023-2024**
Action 2.2.1, Review work procedure for CoDAP to ensure all major project design systems include consultation with CoDAP.
- **Health and Wellness Plan 2021-2026**
City of Equity 3.5.5, Facilitation of disability access consultation through the Co-Design Access Panel (CoDAP).

Legislative Compliance

Disability Services Act 1993 (amended 2004)
Local Government Act 1995

Officer Comments

City staff who wish to engage with CoDAP are required to complete a "CoDAP Request Form" (**attached** Appendix 1) which provides an overview of their project and what they would like CoDAP members to provide feedback/recommendations on.

Once City Staff have attended a CoDAP Meeting a "CoDAP Feedback Report" (**attached** Appendix 2) is produced by the Community Development Officer – Inclusion to Report feedback and recommendations from CoDAP relating to

the project presented to CoDAP and as a planning tool for staff when planning similar future projects.

All City of Bunbury projects that are presented to CoDAP are recorded on an internal CoDAP Register which can be accessed to review past CoDAP Feedback Records as part of the ongoing development of any services or projects.

Summary

The purpose of this report is for the Disability Access and Inclusion Committee (DAIC) to review correspondence addressed to the Disability Access and Inclusion Committee from Adam Johnson and Gemma Byrne (**attached** Appendix 5) advocating for a need for a Changing Places Facility within the City of Bunbury central business district.

Executive Recommendation

That the Disability Access and Inclusion Committee:

1. Note the request outlined in the correspondence received from Adam Johnson and Gemma Byrne on for a new Changing Places facility to be located within the City of Bunbury Central Business District.
2. Determine if further investigation should be undertaken by internal City officers to produce a report for council consideration.
3. Respond to this request based on outcomes from committee discussions via a letter to Adam Johnson and Gemma Byrne.

Voting Requirement: Simple Majority

Strategic Relevance

The Disability Access and Inclusion Committee provides opportunity for community members to contribute to decisions that benefit Bunbury, through input on the provision of accessible and inclusive facilities, open spaces, programs and services. This ensures that Bunbury is welcoming and inclusive for all who visit and live in the Greater Bunbury region.

Background

City of Bunbury Co-Design Access Panel members, Dr Adam Johnson and Gemma Byrne emailed the Community Development Officer – Inclusion on 19 July 2023, this letter was addressed to the Disability Access and Inclusion Committee to advocate for the need for a Changing Places facility to be built within the toilet block located next to the Bunbury and Heritage Centre. (attached Appendix 5).

Council Policy Compliance

The DAIC operates under the Council’s Code of Conduct.

Legislative Compliance

Disability Services Act 1993 (amended 2004)
Local Government Act 1995

Officer Comments

A Changing Places toilet facility allows people with high support needs to participate in all elements of community life, without having to limit their time out due to concerns about being able to access a suitable toilet.

Without Changing Places Toilets, many people are unable to fully immerse themselves in the community, not out of choice, but because of the lack of suitable public toilets.

Changing Places facilities include:

- A height-adjustable adult-sized change table.
- A constant-charging ceiling track hoist system.
- A centrally located peninsula toilet.
- Additional circulation space more than standard accessible toilets.
- An automatic door with a clear opening of 950mm at a minimum and a privacy screen. (Changing Places, 2024)

The City of Bunbury has implemented two Changing Places facilities which are located at:

- Koombana Bay (all hours facility) established in 2018.
- SouthWest Sports Centre (available during opening hours) established in 2018.

Koombana Bay Changing Places facility was constructed using partial funding from Department of Social Services. Department of Social Services funding for Changes Places is currently not receiving applications and it is unknown when this funding will be available in the future.

Alignment of this request to actions within the City of Bunbury Disability Access and Inclusion Plan 2023-2028 include:

DAIP Objective 2.1 Review City of Bunbury existing buildings and facilities and upgrade where possible to improve accessibility.

DAIP Action 2.1.1 Identify opportunities to increase the number of accessible toilets across Bunbury as part of the of the City’s condition audits -2023/2024.

DAIP Objective 2.3 Improve access within Bunbury CBD with a focus on making it more pedestrian friendly.

DAIC Action 2.3.2 Review signage in CBD for toilets, amenities, and other important information to ensure it its accessible and available – 2026/2027.

Analysis of Financial and Budget Implications

Should the committee choose to request further investigation resulting in a report for council consideration, there may be future budgetary impacts required to implement recommendations.

Executive Recommendation

That the Disability Access and Inclusion Committee:

1. Note actions currently being undertaken to activate the City of Bunbury’s aspiration to become the Most Accessible Regional City in Australia along with discussions about the broader ambition of becoming the Most Accessible Region in Australia (MARIA).
2. Note the commitment the Disability Access and Inclusion Committee has made to undertake future actions to support this aspiration.
3. Are advised that the City has registered MARCIA as a major project within the City’s project framework, with budget review requested to establish a project budget in October 2024.

Voting Requirement: Simple Majority

Strategic Relevance

| | |
|---------------|---|
| Pillar | People |
| Aspiration | A safe, healthy, and connected community |
| Outcome 4 | A compassionate and inclusive community |
| Objective 4.2 | Support vulnerable groups, including aged persons and those with disability |

Regional Impact Statement

The Disability Access and Inclusion Committee provides opportunity for community members to contribute to decisions that benefit Bunbury, through input on the provision of accessible and inclusive facilities, open spaces, programs and services. This ensures that Bunbury is welcoming and inclusive for all who visit and live in the Greater Bunbury region.

Background

Since 2013 the City of Bunbury, the former City of Bunbury Community Access Committee initiated the aspiration for Bunbury to become the Most Accessible Regional City in Australia. This is related to Bunbury as a capital city in a non-metro area, focusing on the City of Bunbury geographic footprint.

The below brief timeline outlines activation that has been undertaken to support this aspiration.

- **2013** - MARCIA was first conceived by the City of Bunbury's Community Access Committee in 2013 when members of the Committee began to inquire about how Bunbury compared, in terms of disability access and inclusion to another similar-sized regional City's in Western Australia such as Geraldton, Albany and Kalgoorlie.

- **2014** - The Community Access Committee explored the idea of developing a ‘friendly completion’ for the title of Most Accessible Regional City in Australia, as a way of promoting action on access and inclusion. The Committee then proposed a challenge: What would it for Bunbury to become the most accessible regional city in Australia?
- **2014** - Council responded by adopting the following resolution: Council Decision 263/2014: The Council sets a goal to become the Most Accessible Regional City in Australia by 2020-21.
- **2018 MARCIA Research Report** - A 12-month research project was undertaken to identify recommendations for the City of Bunbury to achieve MARCIA. This project was undertaken by Dr. Adam Johnson in collaboration with Edith Cowen University.
- **2023 MARCIA Review Report** – this report provides information on outcomes of the MARCIA Recommended Actions as mentioned in the MARCIA Research Report 2018 and the correlation between some MARCIA recommendations and the City’s current Disability Access and Inclusion Plan 2023-2028.
- **2024 - Disability Access and Inclusion Committee.** The City of Bunbury’s Disability Access and Inclusion Committee (DAIC) commences exploring developing a roadmap to support ongoing actions that support the achievement of this aspiration.

Council Policy Compliance

The DAIC operates under the Council’s Code of Conduct.

Legislative Compliance

Disability Services Act 1993 (amended 2004)
Local Government Act 1995

Officer Comments

The City has registered MARCIA as a major project within the City’s project framework. A project manager has been assigned, with a budget review being requested to establish a project budget in October 2024. By

implementing a project-based approach relating to our aspiration to be the Most Accessible Regional City in Australia, the City will undertake a review of current and future resourcing to ensure longevity and success of this project.

Analysis of Financial and Budget Implications

This action will just in ongoing budget implications (yet to be fully conceived) including the review of the project budget in October – requested amount is \$75 000, additionally an annual operating budget will be requested via the City’s internal operating processes.
