If you would like to pay by credit card please click here <https://www.bunbury.wa.gov.au/live/handbook/environmental-health-services/environmental-health-forms-and-licenses> and submit form with your application.

REQUIREMENTS FOR NOISE MANAGEMENT PLANS

The following information must be included with the Noise Management Plan submitted with your application:

- Brief description of the proposed works
- Dates and times of the proposed works
- Justification for carrying out the works out-of-hours i.e., outside of 7am to 7pm Monday to Saturday, or any time on a Sunday or public holiday
- A site plan showing the proposed area of works and nearest noise receivers
- Details of, and the duration of, activities on the construction site likely to result in noise emissions that fail to comply with the assigned levels prescribed by Regulation 7
- Predictions of noise emissions from the construction site
- Details of measures to be implemented to control noise (including vibration) emissions
- Procedures to be adopted for monitoring noise (including vibration) emissions
- Community notification – detail the strategy for informing those affected by noise from the works and the proposed notification area (all premises that will be exposed to noise exceeding the assigned levels prescribed by Regulation 7 must be notified at least 24 hours in advance of the works)
- An example of the notification letter that will be delivered to premises identified in the point above, including details of the proposed works, dates, start and finish times and a telephone number for the person contactable at all times during the works
- Complaint response procedures to be adopted

If you have any queries, please contact the City's Environmental Health Services on 9792 7100 or email: info@bunbury.wa.gov.au
