Message from the Mayor

Jaysen de San Miguel

Welcome to the second year of **Summer Lovin' in the heart of beautiful Bunbury!**

Whether you're a local or visiting for the first time, this is your chance to soak up everything our vibrant city has to offer. With a calendar bursting at the seams and headlined by our renowned **Christmas in the City** and **SkyFest** events, we've got something for everyone – beach days, street art, live music, sunset markets, and more.

From relaxing at Koombana Bay to adventuring on our nature trails or exploring our cafes and retail outlets, Bunbury is the ultimate summer playground.

So, get involved, bring your mates, and dive into the brighter days of Bunbury with some Summer Lovin'.

Mayor Jaysen de San Miguel

Acknowledgment of Country

The City of Bunbury acknowledge the traditional owners of the land, the Noongar Wardandi people and their continuing connection to the land, waters and community.

We pay our respects to all members of the Aboriginal communities and their culture; and to Elders past, present and emerging.

Birak Season (December - January)

Birak is represented by the colour red as it symbolises heat, sun and fire. During Birak season the rain eases and the warm weather really starts to take hold.

The afternoons are cooled by the sea breezes from the south west.

Traditionally this was the fire season. An almost clockwork style of easterly winds in the morning and sea breezes in the afternoon meant that this was burning time of the year for Noongar people and they would burn the country in mosaic patterns.
